

FIA EXPO

scrapbook

CFTC's Perspective
 Timothy Massad, chairman of the CFTC, updates viewers on his agency's agenda in an Expo Today LIVE! video interview.

Excuse the Disruption
 FIA's Walt Lukken and CME's Kim Taylor debate key derivatives topics of the day.

A View from the Top

Exchange CEOs discuss regulatory challenges, equity market structure and other critical market trends in a panel moderated by Ron Insana, senior analyst at CNBC. Pictured left to right: Ron Insana, CNBC; Jeffrey Sprecher, Intercontinental Exchange; Edward Tilly, Chicago Board Options Exchange.

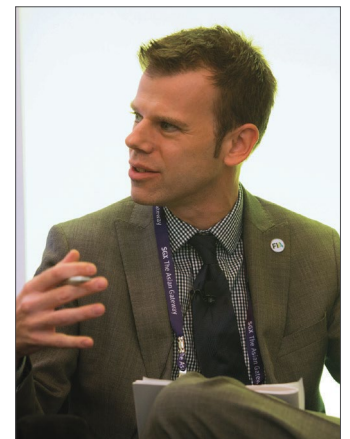

Washington Outlook
 Columnist A.B. Stoddard discusses how the mid-term elections will impact the landscape in Washington.

Wisdom of Crowds
 James Surowiecki discusses how to harness the collective wisdom of an organization in his keynote luncheon address.

Best Practices
 James Moran of CME Group and Ben Morof of Teza Technologies discuss risk controls and other best practices in automated trading systems.

Market Data
 Matthew Rees of R.J. O'Brien moderates a panel discussion on market data.

Giving Back

The 2014 FIA Cares Great Chicago Steak Out was a huge success. We are proud that the futures community over the past six years has raised more than \$2 million as part of the FIA Futures Cares charity drive to benefit the Greater Chicago Food Depository.
